STATEMENT OF PROBABLE CAUSE

(For issuance of an arrest warrant or summons)

I state that on 08/10/2022 while exercising my duties as a law enforcement officer in the _____ District of MT

Pursuant to 16 USC 551: I, United States Forest Service (USFS) Law Enforcement Officer (LEO), Anthony FEDELE, state that on August 10, 2022 at approximately 1347 hours, I was exercising my duties as an LEO on Federal Bureau of Reclamation Land (BOR), at the Duck Creek disbursed recreation area In Broadwater County. I made contact with Jeffery M. QUEER regarding his 2004, silver Dodge truck parked on the shoreline of Canyon Ferry Reservoir in violation of clearly posted BOR recreation regulations. There are multiple restrictive use signs in the immediate area prohibiting motor vehicle use off of designated routes, and use on the shoreline.

On August 7, 2022, at approximately 1600 hours, I first observed QUEER'S silver Dodge and another blue Chevrolet pickup, parked in the same location, on the shoreline, nobody was in camp and nobody returned to the camp while I was on site. On August 10, at approximately 1347 hours, I returned and again observed QUEER'S pickup parked on the shoreline. I made contact with QUEER, later identified by his Montana State driver's license, and upon further questioning QUEER admitted he had previously seen the signs prohibiting motor vehicle use on the shoreline. QUEER told me he frequents the Duck Creek area a lot and knew where the designated boat launch was located. QUEER told me he had to take his boat out by his camp site because it started taking on water, and he just didn't use the designated boat launch area like he should have.

Consequently, I issued QUEER one citation for violation of 43 CFR 423.40(d) "Motor vehicle use off designated route."

The foregoing statement is based upon:
